

BURN LESS WOOD ...AND SAVE MONEY!

Ecofan[®]

SPREAD WARMTH

Heat powered wood stove fans.

- **Burn Less Wood, Save More Money.** Ecofan pays for itself by providing fuel savings of up to 19%.
- **More Warmth, Faster.** We make the best performing wood stove fans on the market. Period.
- **Invest in the Best.** Imitation is flattery, but that's about it. Trust Ecofan for quality, performance, and a design that exceeds international safety standards.
- **Made by Caframo in Canada, where winter happens!** Trust us. Caframo has been designing, manufacturing and testing the genuine Ecofan since 1994.
- **We are with You for the Long Haul.** Ecofan is built to last with replacement parts available.
- **We Spread Warmth. And Happiness.** Ecofan is committed to happy customers. We combine world-class customer service with the best warranties in the industry.
